Group Project Grade Summary

Milestones

Milestone	Total Points
Milestone 1	95/100
Milestone 2	85/100
Milestone 3	40/100
Milestone 4	70/80

Grade

Points: 290/380

Demo

Problem definition wasn't that clear, front end wasn't working.

Demo Grade

Points: 15/20

Final Grade

Points: 305/400

Regarding the individual grading.

Unfortunately, it is not possible to do so due to the project structure. I have tried different configurations without any success.

40% of the grade cannot be assigned to each role separately.
